

WEDDINGS AT COURTEENHALL

Photograph by: Eneka Stuart

Courteenhall is a beautiful, late 18th Century, privately owned and lived in family home. It is set deep into a private Northamptonshire Estate and is surrounded by over 100 acres of picturesque parkland.

EXCLUSIVITY

Courteenhall offer a selection of dates each year for private wedding celebrations. We want to make sure that our venue remains special, untouched and hidden away so we can pass all of those advantages onto you.

Courteenhall looks and feels formal in all the right places. However, there is a sense of relaxation due to the fact that it is a family home.

CATERING

Because everyone is different we allow you the freedom to speak directly with your food and drink supplier; that way you can discuss your specific requirements. Our approved caterers and drinks suppliers have been through our rigorous selection process, so we know they will deliver everything to the high standards we expect for your special day here at Courteenhall.

CEREMONIES

Courteenhall Church is located in the village of Courteenhall and is clearly visible and accessible from the Hall. You can marry in the Church if you can show connections with the parish or join the congregation (full details are available upon request). Alternatively, you can hold your own humanist, non-religious ceremony at Courteenhall. This gives you the flexibility of marrying where you want, when you want and how you want!

INSIDE THE HALL

Entered from the main driveway and through the front door, the impact of the Hall is impressive on your arrival.

For smaller weddings of up to 65 guests, the interior of The Hall is perfect. It retains many of its original features and provides some wonderful entertaining spaces filled with history and character.

The main Entrance Hall is great for arrival drinks and for evening entertainment whilst you and your guests soak up the atmosphere and enjoy this stunning space.

Leading from the Main Entrance Hall is the beautifully presented Dining Room. There are 3 perfectly proportioned bay windows, which provide direct access to the formal gardens and parkland. This allows your guests to wander freely inside and out during the day. Whether it be an intimate celebration for 20 around the dining table or individual tables for larger parties, we can arrange the dining room to suit your specific requirements.

IN FILL FLOWERS

Our gardener, Darron, works hard all year round to ensure the gardens at Courteenhall look beautiful. From snowdrops in February, to roses in June and agapanthus in August. There are seasonal flowers growing all year round. Subject to availability, we can provide a small display of complimentary seasonal flowers for weddings inside the house.

ON THE MORNING

On your arrival to Courteenhall, our dedicated Event Co-ordinator will be your point of contact throughout the day to make sure that everything runs beautifully and to perfection. As part of our gold package, we also provide use of the Pytchley Room, an exquisite en-suite bedroom, for one of you to prepare in peace whilst gazing across the parkland.
